

# MAC & CHEESE

Delancey Street Deli® is a brand created to curate the highest quality deli products and ingredients and to give homage to the history of Performance Foodservice's roots in the deli/grocery business. The brand is named for the street in Manhattan that gave birth to the American deli in 1888, just three short years after our company started.

White Cheddar Mac & Cheese features tender cavatappi noodles blended in a creamy sauce of white cheddar cheese and other cheeses.

Yellow Mac & Cheese features tender elbow noodles blended in a creamy cheddar cheese sauce
