

WHITE CHICKEN CHILI

Delancey Street Deli® is a brand created to curate the highest quality deli products and ingredients and to give homage to the history of Performance Foodservice's roots in the deli/grocery business. The brand is named for the street in Manhattan that gave birth to the American deli in 1888, just three short years after our company started.

Made from tender chicken and flavorful seasonings that guarantee you're serving made-from-scratch taste and quality every time. Kettle-cooked and then rapidly chilled and frozen to lock in its peak freshness and flavor. Great in a bowl, as soup, in a baked potato, over nachos, or even cornbread. Made with real Hatch Chilies from Young Guns Produce in Hatch, New Mexico.
